

Business & Sustainability consulting

for organizations that are adding value to society

➔ For passionate people who have the ambition to make the world happier, greener, safer, and more equal

➔ Strategic recommendation

Lost in the flow, overwhelmed, stuck?

Want to elaborate a strategy?

Let us look at where you are at and where you would rather be, so we can elaborate a plan to move forward. We help you with organization, prioritisation and tasks distribution. Together we can also set up training sessions and workshops.

➔ Administrative assignments

Need help documenting your processes?

Learn to communicate efficiently?

Based on your situation we identify your time wasters and create Excel sheets, dashboards, templates, internal policies and guidelines. We can accompany you either on your day-to-day activities or on specific projects. We also offer hourly based administrative support according to your needs.

THE FUTURE WE NEED

Our ambition is to help organizations and people who want to do good and contribute to a better society. We and our partners have in common our intention to support the development of sustainability practices in general.

To build back better, happier, greener, safer and more equal, each actor of the society needs to act with honesty, transparency and respect, today and tomorrow. Culture, sustainability and compliance are the 3 pillars of our vision.

🌿 Culture

CSC is committed to contribute to the promotion and support of cultures and diversity. We highly value projects of social integration, expression in artistic forms, diversity and equality.

🌿 Sustainability

We provide consulting services to companies and organizations mindful to work within the area of Sustainable Development. We bring Business skills to Sustainable organizations.

🌿 Compliance

CSC provides advisory services in compliance, in line with current legislation and various international standards. We also monitor upcoming regulations in relation to sustainability.

Customer satisfaction - Garden Cosmetica Natural

"To work with CSC Consulting can be defined as efficiency and speeding up. From the first meeting we were able to start organizing basic daily tasks and seeing results the very same day".
